

NEWS FROM THEATREZONE:

October 18, 2007 - (Naples, FL) - Mark Danni, Artistic Director of TheatreZone, Naples' professional Equity theatre company, is proud to announce the first show of its 2007-2008 season, *Nine*.

This spectacular winner of the 1982 Tony Award for Best Musical delighted Broadway theatergoers in a hit revival in 2003. Based on Fellini's classic film *8 1/2*, *Nine* is the story of a famous film director and his attempts to come up with a plot for his next film as he is pursued by hordes of beautiful women, all clamoring to be loved by him and him alone. Flashbacks reveal the substance of his life - which will become the material for his next film: a musical version of the Casanova story. Starring Broadway's Larry Alexander (*Les Miserables*), the show also features Victoria Regan who was in the original Broadway casts of *42nd Street* and *Grand Hotel*. *Nine* will run from November 29th through December 2nd at the G & L theatre 13275 Livingston Rd. (one block north of Pine Ridge Rd.) on the campus of the Community School of Naples.
