TheatreZone Adds Performances

Two matinees added to accommodate sell-out Season 9

Naples, FL: (November 15, 2013) . . . TheatreZone Artistic Director Mark Danni today announced the addition of two performances: a Saturday matinee of the production of *Whistle Down the Wind* on January 18th at 2 pm, and a Saturday matinee of the production of *High Society* on Saturday, February 15th, 2014 at 2 pm.

“Thanks to the overwhelmingly positive ticket sales to our upcoming Season 9 “Year of the Composers” schedule, *both Whistle Down the Wind* and *High Society* have already sold out several performances,” explains Danni. “To accommodate our theatre patrons’ needs, we have added two matinee performances.”

Whistle Down the Wind, with music by Andrew Lloyd Webber, is based upon the novel by Mary Hayley Bell that follows the fortunes of a

fugitive caught between the prejudice of adults and the innocence of the young.

High Society, with book by Arthur Kopit and music and lyrics by the legendary Cole Porter, is based upon the play “The Philadelphia Story” by Phillip Barry, revolving around the imminent wedding of a socialite whose ex-husband arrives with mischief planned to get the attention of the woman he still loves.
